MEMORANDUM FOR THE RECORD

SUBJECT: George Polk - American Newsman

1. Mr. Rusher, of Senate Internal Security Subcommittee, called and referred to an article on page 1 of the Washington Post dated 28 August 1956. Article stated that two Greek former communists just back from the USSR said that two former compatriots within the USSR said that they had killed George Polk, American newsman.
2. This was evidently an AP dispatch from Athens.
3. Judge Morris would like to know if we have any information on this case, and if by chance the former communists are coming to this country. The Committee would like to see them.
